DIRECTIONS FOR USE

Top dress **Color Pro 20-6-9** around the trunk or stem of the plants making sure not to apply over the top or too near the trunk/stem. Incorporate in soil for new plantings

Irrigate immediately after application. Apply enough water to ensure thorough coverage.

Color Pro 20-6-9 will provide 4 to 6 months of nutritional controlled release fertilizer to your annuals and ground covers

More best results, follow-up granular treatment with a foliar liquid nutritional application

Apply fertilizer in accordance with best management practices established by your State University or Cooperative Extension Service. Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale
