DIRECTIONS FOR USE

Top dress **General Purpose** around the trunk of the tree making sure not to apply over the top or too near the trunk

Irrigate immediately after application. Apply enough water to ensure thorough coverage.

General Purpose will provide 30 to 45 days of nutritional feed to all your shrubs and ornamentals

More best results, follow-up granular treatment with a foliar liquid nutritional application of **La Bomba™**

Apply fertilizer in accordance with best management practices established by your State University or Cooperative Extension Service. Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale

** This product contains 5.503% slow or controlled release nitrogen

STORAGE AND CONTAINER DISPOSAL

Store above 32°F. Store this product in a dry place, in original container only. Keep lid tightly closed. Keep away from open flame or intense heat. Triple rinse container and offer for recycling or dispose of in accordance with federal, state, and local authorities.

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any nonconformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The seller's liability under this warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a purpose. There are no warranties which extend beyond this statement.
