## DIRECTIONS FOR USE

Top dress **Hibiscus Special** around the stem/trunk making sure not to apply over the top or near the stem of the plant  
Irrigate immediately after application. Apply enough water to ensure thorough coverage.

**Apply Hibiscus Special** every 60 to 90 days throughout the year for maximum nutritional coverage. Can be safely used on other flowering ornamentals

For better results, follow-up granular treatment with a foliar liquid nutritional application available from Cottage Cove Innovations, LLC.

Apply fertilizer in accordance with best management practices established by your State University or Cooperative Extension Service. Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale
