Manganese (Mn).....	0.84%
1.60% Manganese (Mn)	

*Derived from: Ammonia, Urea, Di Potassium Poly Phosphate, Potassium Phosphite and Manganese Sulfate*

### DIRECTIONS FOR USE

**Orchid 301** is to be applied monthly over the leaves and to the root base of the pot. Spray liberally until point of drip. Every three months alternated treatment with a mild balance treatment such as 20-20-20. **Do not** dilute solution or tank mix with other liquid fertilizer and pesticides;

however, a jar compatibility test should be performed on unknown combinations. Apply in enough solution to ensure thorough coverage. Apply in accordance with best management practices established by your State University or Cooperative Extension Service. Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale

Information on the components of this fertilizer may be obtained by writing to Cottage Cove Innovations, LLC at the address below or by visiting our website

### PRECAUTIONS

- Avoid getting in eyes or on skin. The use of safety glasses with side shields (or goggles) and water repellent, chemical resistant gloves when handling this product is recommended.
