Product Information Sheet

Shrub 23-4-7™

GRANULAR FERTILIZER

Shrubs 23-4-7™ is a granular custom blended two-stage fertilizer with both an upfront starter and a long-term control release fertilizer which will provide 5-6 months of protection to your plants. Excellent for delicate plants in the landscape or containers.

DIRECTIONS FOR USE

- Top dress **SHRUB 23-4-7™** around the stem/trunk making sure not to apply over the top or near the stem of the plant.
- Incorporated **SHRUB 23-4-7™** into the soil prior to planting. Till soil with fertilizer into the soil. Plant shrubs and ornamentals.
- Irrigate immediately after application. Apply enough water to ensure thorough coverage.
- **SHRUB 23-4-7™** will provide 4 to 5 months of nutritional feed to all your shrubs and ornamentals
- More best results, follow-up the granular treatment with a foliar liquid nutritional application of **LA BOMBA™** every 2 to 3 months.

RECOMMENDED RATES

- Apply 45-50grams of **SHRUB 23-4-7™** to small/medium plants (15-36" height)
- Apply 60-80grams of **SHRUB 23-4-7™** to plants taller than 36"

SHRUB 23-4-7 can be safely applied to turf, ornamentals, and fruit trees

Apply all products in accordance with best management practices established by your State University or Cooperative Extension Service. Observe any State or Local fertilizer regulations pertaining to fertilizer content, application rates, or timing of application specific to your locale

CONDITIONS OF SALE

Seller warrants that product will be labeled as required under state and federal laws and that they conform to the label description. Any nonconformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The seller's liability under this warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a purpose. There are no warranties which extend beyond this statement.

PRECAUTIONS

Avoid getting in eyes or on skin. The use of safety glasses with side shields (or goggles) and water repellent, chemical resistant gloves when handling this product is recommended. Do not contaminate food, feed, seed or water supplies during application or when cleaning equipment.

FIRST AID If on Skin: Wash with soap and water. Consult a physician if any irritation persists If in Eyes: Rinse with clean water for 15 minutes. Remove contact lenses after the first 5 minutes and continue to rinse. Seek medical attention if irritation persists. If Ingested: Call 911 or a physician for treatment advice. Have the product label with you when calling a doctor or going for treatment

Keep Out of Reach of Children
