WEED REAPER

"IF IT GROWS, IT GOES."

TOTAL WEED CONTROL - REDEFINED!

Weed Reaper® is a high-performance, non-selective herbicide designed to deliver **PRE-EMERGENT** and **POST-EMERGENT** control of over 243 weed varieties. It doesn't just burn weeds... it destroys them at the root for **FAST KNOCKDOWN** and **LONG-LASTING RESULTS**.

KILLS OVER

243

**WEED
VARIETIES!**

CONTROLS BROADLEAVES, GRASSES & SEDGES!

BEFORE

AFTER

REAL RESULTS. FAST KNOCKDOWN. LONG-LASTING CONTROL.

WHY WEED REAPER STANDS ABOVE THE REST!

7 ACTIVE INGREDIENTS

Multi-mode attack that outperforms single or double active herbicides.

PRE + POST EMERGENT POWER

Prevents new weeds while eliminating existing ones.

KILLS OVER 243 WEED VARIETIES

Broad-spectrum control of tough broadleaves, grasses, and sedges.

FAST ACTING

Visible results in hours to days.

LONG-LASTING CONTROL

Reduces regrowth and extends the time between applications.
